### 1. Introduction

At Wolfreton School and Sixth Form College, our vision is Igniting Fires Expanding Horizons Achieving Ambitions. Aligned to this, enabling successful progression to next steps is a long-standing commitment.

Under Section 42B of the Education Act 1997 and the Skills and Post-16 Education Act 2022 we have a duty to provide students in Years 8 – 13 with access to providers of post-14, post-16 and post-18 education and training. This policy sets out how we manage access requests from these providers.

### 2. Student entitlement

Students in Years 8 to 13 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To a minimum of six encounters with a provider of technical education qualifications or apprenticeships (2 in Years 8 and 9; in Years 10 and 11; and 2 in Years 12 and 13).
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Students in Year 7 are entitled to careers guidance.

### 3. Management of provider access requests

**Procedure:** A provider wishing to request access should contact:

Name	Mrs L Scaife
Role	Careers Leader
Telephone	01482 659356

Providers will need to arrange to meet with representatives of the SLT and Careers Team to discuss the aims of the required access to enable the selection of an appropriate event that gives access to particular groups of students.

Wolfreton is happy to arrange appropriate sessions but these must be scheduled at an appropriate time within the CEIAG programme. This will allow students to make decisions based on accurate information in the correct context.

#### 4. Opportunities for access
