Dear Parent/Carer

Free school meal vouchers

Further to the letter from the Headteacher yesterday, we are writing to you as one or more of your children are eligible for free school meals.

We have been looking at ways to continue to provide this support in a safe and effective way.

We are pleased to announce that we have linked up with a company called Wonde, which has enabled us to create an electronic free school meal voucher.

Within the next 48 hours Wonde will be sending you an email or text containing a link. Clicking on the link will allow you to select a supermarket of your choice. A voucher is then shown which can be taken in-store or spent online.

The first voucher you will receive will be £23.00 for each child eligible for free school meals in your family on roll at Wolfreton. This equates to an allowance of £2.30 each day for 10 days from Monday 23 March to Friday 3 April. The voucher does not have to be spent all in one go.

We hope this will be of some benefit to you during this very difficult time. We will monitor government guidance, however it is our intention that these vouchers will continue in this manner every two weeks, until further notice.

If you have any issues or questions regarding this service, please email mrs.warnett@wolfreton.co.uk

Thank you.

Yours faithfully

L Warnett (Mrs)
Assistant Headteacher
