Music Tuition

PARENT - SCHOOL AGREEMENT 2019/20

Music Tuition at Wolfreton 2019/20

Lessons:

The Schools' Music Service will provide a minimum of 30 lessons in the academic year. This equates to an average cost of £7.10 per lesson if paid termly or £6.67 per lesson if paid for the full year in advance.

Students will receive a minimum of 20 minutes tuition per week, the average being 25 minutes, depending on the instrument. Lessons are taught in groups the size of the group is dependent on availability of resources. We can not guarantee the size of the groups and there are limited places available.

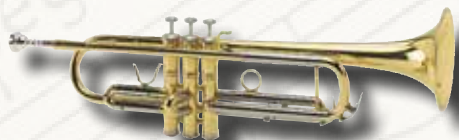

Lessons take place during normal school hours. This means that students have to miss some curriculum lessons each week. The school allows this system to operate on the understanding that students make the commitment to catch up on any work that they have missed.

Choices of lesson:

Students can choose from woodwind, brass, string instrument, percussion, singing, guitar or piano.

Provision of Music Tuition Lessons

Music tuition lessons are provided by the Local Authority's Schools' Music Service. Wolfreton enters into an agreement with the East Riding of Yorkshire Council (ERYC) to provide lessons for those students in school who wish to have this additional provision. As the provision is classed as non-statutory the school passes on the costs to parents. The school is charged on a termly basis by ERYC for the lessons provided and has to give a term's notice to increase or reduce the overall number of lessons taught.

Payment of Lessons:

The charge for the academic year 2019/2020 is: £209 for the full year if paid in advance in September 2019 or £71 per term, to be paid at the start of each term, by the second week of each term. Payment letters will be issued at the end of every term for the following terms fees, there will not be any reminder letters.

Lessons are paid for using School Gateway at <https://login.schoolgateway.com/0/auth/login>

Remission from fees is available for those students eligible for free school meals or whose parents are in receipt of certain benefits. Please contact Mr Zobkiw for further information (see contact details overleaf).

Cancelling lessons:

Once a term has commenced, that term must be paid for in full. Notice to cancel lessons has to be made in writing to Mr Zobkiw in order to withdraw a student from lessons for the following term. We require a minimum of a term's notice. Without a written letter cancelling lessons we will assume that the student intends to carry on with their lessons. Failure to pay on time will result in lessons being cancelled and the place being offered to another student.

Please note that regular payment and attendance are essential for the school to maintain this service and for the students to make good progress.
