# Welcome to Wolfreton

**Susanne Kukuc**, Headteacher

**Wolfreton is a vibrant, happy and ambitious school where students can thrive.**

Here, young people enjoy expert teaching, excellent care and a wealth of opportunities – achieving strong results at both GCSE and A Level. Generations of families have chosen Wolfreton, and many more travel to join our community, where we believe the best is yet to come. Our values – **Excellence, Endeavour and Respect** – are known as **The Wolfreton Way**. They capture our high aspirations, our determination to give every child the very best, and our belief in working together to achieve success.

We believe every child deserves the best possible education. Our ambitious curriculum, taught by subject specialists, challenges and supports learners of all abilities. Whether aiming for top universities or needing additional support, our commitment is the same: to ignite fires and expand horizons, embedding learning that lasts and inspiring future study and careers.

At Wolfreton, our people are our greatest strength. We expect the very best from our students, and in return they benefit from expert teaching, exceptional pastoral care, and an enviable programme of enrichment through The Wolfreton Experience. Student voice is valued and heard, and our ever-developing facilities provide the ideal environment for young people to excel.

**I am incredibly proud to lead Wolfreton. This prospectus offers a glimpse of what makes our school so special, but the best way to experience it is to visit us. We warmly invite you to attend one of our open events and explore Wolfreton life on Instagram.**

Our **Vision:**

# SHAPING POSITIVE FUTURES

Our **Mission:**

**We put our students first. We have a supportive, yet challenging environment to allow everyone in our school community to:**

- Flourish and believe that they have every chance of success.
- Work together, through our values, so that they can achieve more than can be done individually.
- Work within a supportive culture where taking appropriate risk is seen as a strength.
- Be proud of themselves, their peers, our Trust, and our local communities.

## Our Values:

# Excellence

we aim to **inspire** – to be the best that we can be

# Endeavour

we promote the qualities of **determination** and **courage**

# Respect

we are firm advocates of **friendship** and **equality**

Excellence, Endeavour, Respect

**THE WOLFRETON WAY**

# Curriculum

At Wolfreton, our curriculum is both ambitious and inclusive, designed to build knowledge, skills and independence over time.

Guided by our ethos to “Ignite Fires and Expand Horizons,” our subject specialists inspire students to discover their passions and interests.

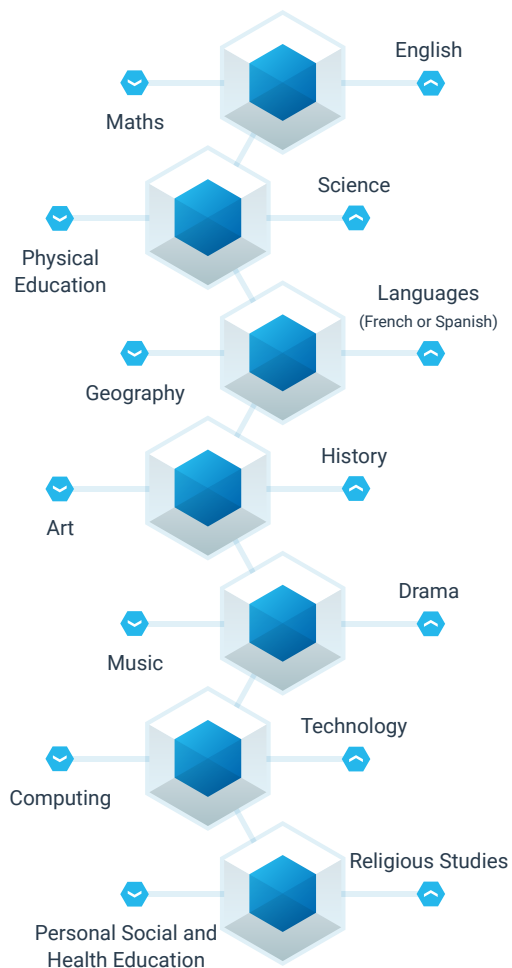

From Key Stage 3 to Key Stage 4, our curriculum ensures students gain strong foundations in English and maths—essential subjects for future success. We also value every discipline, offering a broad curriculum in Key Stage 3 that includes the sciences, languages, humanities, arts, design technology, computing, PE and PSHE.

As students move into Key Stage 4, alongside their core subjects, they can choose from tailored options that reflect their developing interests. *Our Guided Choices* programme helps them make informed decisions, linking courses to future career paths.

Students progressing into our Sixth Form go on to select from the wide range of A Level and Vocational courses The Consortium Sixth Form College offers. These enable them to specialise and prepare for their next steps, whether university, higher level apprenticeships or employment.

We teach a knowledge-rich curriculum that deepens understanding and builds confidence year on year. Through expert teaching, regular practice and revisiting key concepts, we create a challenging yet supportive environment that motivates all students to thrive.

At Key Stage 3, students study:

*The wide range of GCSE, Vocational and A Level options students can select from can be found on our website.*

“  
...ambitious and  
inclusive...  
”

# Pastoral Care

## Wolfreton prides itself on providing excellent pastoral care.

Our team is enviable both in experience and scale, and committed to ensuring students feel happy and safe – that they are known and that they belong in our community.

Each child joins a Tutor Group led by their Form Tutor - the person that knows them best. Wherever possible, Tutors stay with their group on their journey through school. Tutors and year groups are led by our Heads of Year and Pastoral Managers who focus on students' welfare and progress to secure the best for each child.

Wolfreton has a dedicated Year 7 Team. The Head of Year and Pastoral Manager for Year 7 provide expert support during the transition process, welcoming students and supporting them to settle in and truly enjoy their first year. They build a year group culture of high standards, trust and great fun. Upon graduating from Year 7, students join their new Head of Year and Pastoral Manager who take over their care for the coming years. Staff are expert in the needs of their year group, building new bonds to add to existing ones.

A much Wider Pastoral Team provides enhanced support where needed. This team includes our Safeguarding and Attendance Managers, a Behaviour Support teacher, our ELSA and Thrive Practitioner. Early help support, including social, emotional and mental health support is provided in one of our intentionally designed support bases. There is always someone there to celebrate the best in our students and someone to turn to if there's a problem.

**...enviable  
team...**

**“Our team is enviable both in experience and scale, and committed to ensuring students feel happy and safe – that they are known and that they belong in our community.”**

Awards

## Entitlement Opportunities

From lifesaving skills in Year 7's Restart a Heart event, to the thought-provoking Prison Me No Way Day in Year 9, our entitlement experiences enrich every stage of school life. Students enjoy themed days, inspiring speakers, cultural workshops, and competitive House events that promote teamwork and inclusion.

## Clubs and Extracurricular Activities

Our extracurricular offer is outstanding, with something to suit every interest. Students can join clubs for coding, debating, chess, board games, Lego, or even Dungeons & Dragons. Creative and Performing Arts thrive at Wolfreton, with opportunities in art, drama, dance and music and our ever-popular annual production.

Sporting  
success

# The Wolfreton Experience

At Wolfreton, education goes far beyond the classroom.

Our Wolfreton Experience programme ensures every student can access a wide range of enrichment activities that build confidence, spark joy and strengthen their sense of belonging within our community.

Outdoor activities

Excitement at Dalby Forest

Aladdin production

Ski trip to Italy

## Sporting Success

Sport is part of our DNA. With daily clubs, regular fixtures and teams in football, netball, rugby, basketball, athletics, cricket and more, students of all abilities find their place. Many go on to achieve success at local, regional and national level.

## Trips and Visits

We believe trips and visits bring learning to life. Every student is invited to take part in our core programme, which in recent years has included visits to Yorkshire Wildlife Park, the National Space Centre, Lincoln Castle, Dalby Forest and the National Holocaust Museum.

For those who want to go further, our elective trips offer even more – from theatre visits and city experiences in Liverpool and London, to international adventures such as Barcelona, skiing in Italy, and our exciting upcoming expedition to Peru in 2026.

A young boy with light brown hair, wearing a dark blue polo shirt with yellow and white accents on the shoulders, is holding a Gaelic football. He is looking off to the side with a focused expression. The background shows a grassy field, a chain-link fence, and trees under a clear blue sky. The text "...competitive and collaborative opportunities..." is overlaid in white, bold font, flanked by white quotation marks.

**...competitive and collaborative opportunities...**

# House System

## Our House System is an important part of The Wolfreton Experience.

Each of our Houses are named after philanthropists – people who were dedicated to improving the life of others, and in doing so, embodying 'The Wolfreton Way' of Excellence, Endeavour and Respect.

Heads of House lead our students in an array of both competitive and collaborative opportunities, and in community and charity initiatives; always finding time to champion success. This focus provides innumerable opportunities to build a sense of team and belonging, and importantly to us all, the time to have some fun.

We are a **competitive** school that also teaches the importance of **collaboration** and teamwork. Our Rewards

System sees students collect House Points each day through their tutor and classroom activities. Entries in individual and team competitions all gain House Points and the competition is real. Many competitions have become school traditions, including the Christmas Stocking competition, the Wolfreton Bake Off and, of course, Sports Day, always **celebrating success**.

Our Houses play a major role in developing an understanding of the importance of **community**. Each year students deliver Easter and Christmas cards, groups have performed in a local care home and at community Christmas lights event. Through charity initiatives, Houses raise money for charities of their choice.

At the end of each year, the House Cup is awarded. With ambition high, attention turns almost immediately to the coming year.

# The Climate to Succeed

## High Standards, Warm Atmosphere

At Wolfreton, every student is valued, respected and supported to achieve their best. High expectations for attendance, behaviour, and uniform create a calm, purposeful environment. Through The Wolfreton Way – our behaviour and values curriculum – students embrace responsibility and rise to our standards. Visitors regularly comment on the warmth and positive relationships that make Wolfreton unique.

## Success Worth Celebrating

Achievement is recognised in many ways. House Points, certificates, badges, postcards, phone calls home, and celebration assemblies all shine a spotlight on success. Our Golden Ticket events – from colour runs to inflatables – are unforgettable highlights that reward effort and commitment.

## Student Voice at the Heart

Students help shape life at Wolfreton. From chilled water stations to outdoor games, their ideas have influenced our environment and rewards. Form Reps and Year Councils feed directly into leadership, while Wolfreton students also represent us at our Trust Learner Conference, tackling big themes like diversity, sustainability, and aspiration.

## Strong Partnerships with Families

We believe students succeed best when school and home work together. Families are kept informed through newsletters, letters, and Instagram, while our Parent Services Administrator and Pastoral Managers provide dedicated support. We work to celebrate successes, and aim to address concerns quickly, building the strongest foundations for every child's future.

# An Inclusive School

## **We have an excellent Learning Support Team who provide student-centred support to those with Special Educational Needs and Disabilities.**

Both our Director of Inclusion and Deputy Director of Inclusion are trained SENDCOs. They lead our experienced team of Teaching Assistants, ELSA and Thrive Practitioner in providing support to our most vulnerable students, alongside our pastoral team and teaching staff. Our Achievement Centre has been carefully developed to provide access to additional learning, social, emotional and sensory spaces where needed.

We support students with SEND to make progress across the curriculum and to engage in all aspects of school life. Students typically learn alongside their peers, with staff supporting and scaffolding learning to meet needs. Our Year 7 nurture provision and focussed groups in core subjects, provide enhanced support where it is agreed this would be most beneficial. Beyond the classroom, The Wolfreton Experience programme is inclusive of all, with students with SEND engaging across the range of clubs and activities.

Students have been part of teams celebrating success in both the Active Travel Ambassadors Scheme and Panathlon competitions, to give but two examples.

We enable effective inclusion by regularly engaging in training, to ensure SEND needs and strategies that support learning are understood and can be implemented. We value partnership work with our parents and, with them, work closely with our professional partners to provide the best support we can for our students.

**...engage in  
all aspects  
of life...**

» Eline

Eline achieved three Grade 9s in Maths, Art and Design and Chinese and a total of nine Grade 7-9 grades overall. She goes on to study A Levels in Economics, Maths, Further Maths and Chemistry. Eline really made the most of her 'Wolfreton Experience', recognising the value of the many school trips and visits she went on, particularly the London visit.

Twins Max and Theo celebrated shared GCSE success. They will continue their studies at Wolfreton Sixth Form, where Max plans to study Biology, Chemistry and Maths, while Theo has opted for Law, Geography and Business.

Harry achieved A\*, A, A in his A Levels and will be studying English Literature and Classical Civilisation at The University of Edinburgh. He was full of praise for the support he received whilst at Wolfreton, saying 'I knew my teachers would always be willing to take time out and help me with whatever I needed.'

# Careers Education at Our School

**At our school, we take great pride in preparing every student for life beyond the classroom.**

Our careers education is long established, highly regarded and designed to open doors to exciting futures.

From Year 7, students follow a rich programme created by our experienced Careers Leader, giving them the knowledge and confidence to explore their ambitions. Our dedicated Careers Advisor offers personalised guidance to students in Year 11 and the Sixth Form, with as many appointments as needed to ensure each young person finds the pathway that is right for them. Our central Careers Hub means advice and inspiration are always within easy reach for all year groups.

We work closely with employers to bring the world of work into school. Students benefit from employer talks, careers events, and our Year 11 Mock Interview Day, while Year 10 and Year 12 students all complete a week of work experience. These opportunities, alongside lessons and tutor time, help students understand the exciting possibilities in the local labour market and beyond.

In the Sixth Form, we provide specialist support for students aspiring to top universities, including Oxbridge, as well as degree-specific guidance for courses such as medicine and teaching. We also ensure that every student is fully informed about the wide range of alternatives available, from apprenticeships to employer-led training.

## Successful Destinations

Our careers provision plays a vital role in helping students progress confidently onto the next stage of their lives. Many continue into our Sixth Form before moving on to the university of their choice, while others secure prestigious apprenticeships or professional training. Whatever their pathway, we are proud of the successes our students achieve – and of the strong foundations we help them to build for their futures.

**IGNITING  
FUTURES,  
TOGETHER**

# Igniting Futures, Together

**The Consortium Sixth Form College delivers post-16 provision, with a focus on providing high quality teaching and individual support to secure the best achievement and outcomes for all.**

Our Sixth Form vision is **Igniting Futures, Together** and our shared values of **Ambition, Collaboration and Excellence** form the basis of everything we do.

At our Wolfreton Campus, the Sixth Form is based on the top floor in our fantastic building and Sixth Form students have their own facilities. This includes specialised teaching seminar rooms,

independent learning facilities and a refectory. Our teachers are experts in their fields and many of our staff are examiners for exam boards and verifiers for vocational qualifications. This level of experience across all departments ensures that students receive the highest quality teaching from staff who have in depth knowledge of, and passion for, their subject.

Alongside academic study, we offer a comprehensive enrichment programme of clubs, trips and events, as well as personalised UCAS and careers support, and dedicated pastoral care. With many of our students continuing their journey with us, they, as well as those who join us, benefit from the confidence, care and commitment long-standing relationships provide.

# Our Trust

**Lizann Lawson, CEO**

**Wolfreton School and Sixth Form College is part of The Consortium Academy Trust. As a Trust we are ambitious about the future, creating learning environments and excellence in teaching and learning that provide our children and young people with the best chance at a successful future.**

Other schools which are part of our Trust include Croxby Primary, Cottingham High School, The Hessle Academy (an all-through school which includes Hessle High School & Sixth Form College and Penshurst Primary), Holderness Academy, Howden School, Keyingham Primary and Winifred Holtby Academy. The Consortium Sixth Form College delivers post-16 provision to learners across our Trust.

The strength of our Trust is in working together for the sole benefit of children and young people. Our highly skilled Headteachers work collaboratively, by sharing resources and expertise, to ensure children and young people across all our schools experience inclusive learning opportunities alongside a challenging, fun and aspirant education. As a team, in partnership with parents, carers and other key stakeholders, we are ambitious to shape positive futures, so each child and young person is able to excel and achieve their goals.
